

## MANUFACTURER'S DECLARATION

*Manufacturer's Name:* Swagelok Company

*Manufacturer's Address:* 29500 Solon Road  
Solon, Ohio 44139, USA

*Description of Product:* Fittings, using any combination of the following end connections:  
Swagelok® tube fitting ends  
Tube stub ends and machined ferrule ends  
NPT and RT pipe ends  
RS, RP, and RG ends  
ST straight ends  
ST and PR positionable ends  
AN, JIC, hose barb, and OR ends  
ANSI, DIN, EN, and JIS flange ends  
Ultrahigh-Purity, Industrial, and Micro-Fit® weld ends  
VCR®, VCO®, and WVCO ends  
(Using the following Body Material Designators: SS, B, M, INC, and HC)

*Applicable EU Directive:* ATEX Directive (94/9/EC)

*Applied Standards:* EN 1127-1

After performing an assessment Swagelok has determined that the product specified above does not contain its own potential source of ignition. As such the product does not fall under the scope of Directive 94/9/EC.

**Information for Use:** This product is electrically bonded to a system via the end connections. System grounding is the responsibility of the system designer or user.

This declaration does not pertain to atmospheres outside of the scope of its validity, such as oxygen-enriched atmospheres. When selecting a product, the total system design must be considered to ensure safe, trouble-free performance. Function, material compatibility, adequate ratings, proper installation, operation, and maintenance are the responsibilities of the system designer and user.
